(Core and the Purchaser are each a "**Party**" and collectively the "**Parties**")

2. All Products are sold by Core to the Purchaser only under these Terms. These Terms shall apply to all purchase orders between Core and the Purchaser (the "**Purchase Orders**") and shall apply until amended in writing by mutual consent of both Parties.
3. The Products shall be manufactured according to the published specifications of Core and any specific specifications agreed upon in writing by the parties (the "**Specifications**").

Precedence

4. These Terms exclusively govern and control each of the Parties' respective rights and obligations regarding the manufacture, purchase and sale of the Products, and the Parties' agreement is expressly limited to these Terms. If any terms and conditions contained in a Purchase Order, other forms, documents or instruments of the Purchaser, the provisions of these Terms shall prevail. Any modification to or deviation from these Terms must be agreed upon in writing by the Parties.

Purchase Price and Taxes

5. The Purchaser shall purchase the Products from Core at the price (the "**Purchase Price**") set forth in the applicable Purchase Order. The Purchase Price is exclusive of all harmonized sales tax, goods and services tax, provincial sales tax, value added tax, use and excise taxes, and any other similar taxes, duties and charges of any kind imposed by any governmental authority on any amounts payable by the Purchaser. The Purchaser shall be responsible for all such charges, costs and taxes; provided that, the Purchaser shall not be responsible for any taxes imposed on, or with respect to, Core's income, revenues, gross receipts, personnel or real or personal property or other assets.

Input Cost Adjustment

6. For any Purchase Order that is scheduled for completion beyond sixty (60) days Core reserves the right to perform a price adjustment to the price of the Products ("**Price Adjustment**"). Any Price Adjustment must be made in good faith and will be based on the input costs for the manufacture of the Products and will reference the Canadian Producer Price Index or comparable index consistent with the components of the Products at issue.

8. Core shall issue invoices for all Products shipped or ready for shipment to Purchaser. Purchaser shall pay all invoiced amounts within thirty (30) days from receipt of such invoice unless otherwise agreed in writing by the parties. If shipments of Products are delayed by the Purchaser, invoices may be rendered on the date that Core is prepared to make the shipment. If completion of manufacture or shipment is delayed by the Purchaser, invoices may be rendered when the delay is ascertained, based upon percentage of completion.

Late Payment

9. Interest at the rate of one and one-half percent (1-1/2%) per month (not to exceed the maximum interest allowable by law) shall be paid on the unpaid balance of any invoice not paid in full by the Purchaser within thirty (30) days of the due date thereof. Such interest shall be in addition to the purchase price payable hereunder. In the event Core commences a legal action or suit to collect the Purchaser Price or any part thereof, the Purchaser shall, in addition to the full purchase price, be liable for all costs and expenses of such legal action or suit (including reasonable attorneys' fees).

If Core has delayed shipment of all or any Products for more than ninety (90) days after the Ship Date and if such delay is not due to any action or inaction of the Purchaser or otherwise excused in accordance with these Terms, the Purchaser may, as its sole remedy therefor, cancel the portion of the related Purchase Order covering the delayed Products by giving Core written notice. Subject to Purchaser's rights under this Section 12, no delay in the completion of any Products relieves the Purchaser of its obligations under these Terms, including pickup of any remaining instalments or other orders of Products.
